

UNITED 21 SEWER SOLVENT

NON-BURNING — NON-EXPLOSIVE

Many standard sewer solvents give off flammable vapors creating a potential hazard from fire or explosion. **UNITED 21** prevents this risk because it is non-flammable and non-volatile.

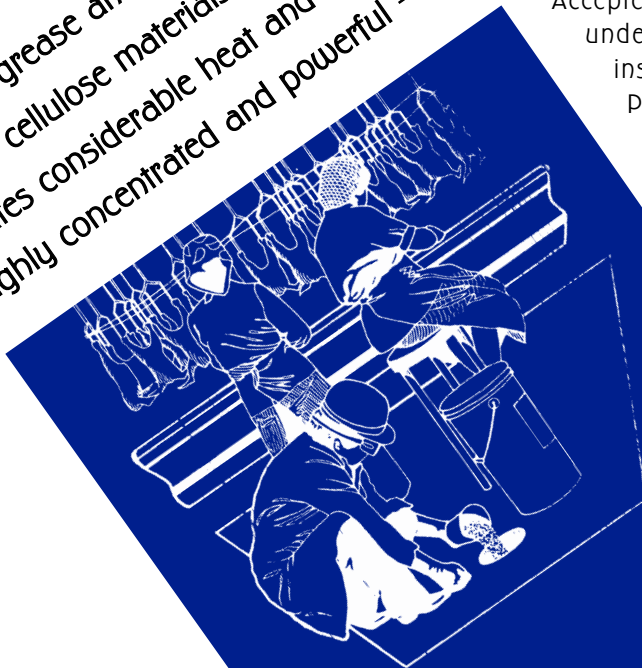

YOU SEE
THE RESULTS!

UNITED 21 contains a concentrated dye that allows you to check its progress by locating traces of the color downstream. When you see the color, you know **UNITED 21** has done the job.

Quick Cure For Clogged Drains!

- Dissolves grease and oil fast.
- Digests cellulose materials, such as paper.
- Creates considerable heat and agitation to melt and break up solidified deposits.
- Highly concentrated and powerful — Does the job when other drain cleaners fail.

Accepted for use in establishments operating under Federal meat and poultry products inspection program by the Animal and Plant Health Inspection Service, USDA. Consult the USDA publication, "List of Chemical Compounds," for details of authorized applications.
