

# The Natural Way To Cut Grease And Slime Build Up And Eliminate Odors

## UNITED 493

# LIFT STATION MAINTAINER

**United 493 Lift Station Maintainer** is a 100% natural plant matter solvent that floats on top of your lift station water surface to degrease and deodorize 24 hours a day – without the environmental hazards of petroleum-based solvents!

### Lift Station Maintainers' Features:

- Fresh, long-lasting citrus scent.
- Superior solvency and degreasing power.
- Non-toxic, non-caustic, non-acid, non-flammable, non-petroleum formula
- **Lift Station Maintainer** won't corrode walls, valves, or industrial grade pumps and wiring.
- Biodegrades 10 times faster than petroleum-based products.
