

# United 896 OXY BLUE Odor Eliminator

Specialized extruded formula lets you slow-feed potassium permanganate for long-lasting H<sub>2</sub>S and odor control

## Powerful and Effective...

- Controls H<sub>2</sub>S, mercaptans and other noxious odor compounds.
- Prevents sulfide-based corrosion.
- Eliminates health risks associated with H<sub>2</sub>S.

## Easy to Use...

- Easily dispensed in a custom-designed mesh bag.
- No mixing, no measuring.
- No need for pumps or any mechanical device.
- Ideal for areas without electrical service.
- Requires minimal monitoring.
