

United Laboratories' Block Technology

The Blocks That Work

Compare the Difference

Feature	Benefit	United Blocks	Competitor Blocks
Patented Inter-Core Technology®	Double Action Improves Efficiency	YES	NO
Quick Release Shock Dose	Faster Results, Quicker Bacteria Release	YES	NO
50% to 60% More Potent	More Cost Effective: Works Better, Faster	YES	NO
Double The Bacteria Strains 10 Billion CFU	Two To Three Times The Bacteria Per Block	YES	NO
Color Coded For Proper Application	Eliminates Waste And Promotes Proper Use	YES	NO
Longer Active Life 60 To 180 Days	More Cost Effective, Saves Money	YES	NO
Each Block Has A Certificate Of Analysis	You Know You Are Getting What You Pay For	YES	NO
Exceeds EPA Protocol 1664 And 1664 A	Performance Assured	YES	NO
Earth Smart® Certified	Meets "Green Protocols"	YES	NO
