

STRIKE OUT even the toughest odors with...

United 257

STRIKE OUT Odor Fighting Sock

STRIKE OUT is the selection of choice when looking to replace large Para Blocks and for wastewater applications. The industrial strength odor counteractant in this product is perfect for use in:

- Lift Stations
- Manholes
- Mains
- Head Works
- Dewatering Areas

STRIKE OUT:

- Earth Smart® Certified;
- Air-controlled odor counteractant;
- Concentrated, industrial strength;
- Treats up to 600 square feet per sock;
- Fights odors for up to 60 days;
- 100% organic carrier;
- Unique mesh bag provides even distribution of odor counteractant;
- Convenient mounting loop for easy installation;
- Each sock measures 36" long x 3" diameter;
- Fresh citrus scent.

While **STRIKE OUT** is formulated to control the toughest wastewater odors, you'll find numerous other suitable applications as well, including:

- Garbage Collection Areas
- Elevator Shafts
- Dumpster Areas
- Industrial Plants

Don't lose the game against strong odors, strike 'em out with **United 257 STRIKE OUT**.
